

Warming Pumpkin Enzyme Mask

RECOMMENDED SKIN TYPES

INGREDIENT HIGHLIGHTS

- Kaolin, Jojoba Esters, Cucurbita Pepo (Pumpkin) Fruit Extract, Tocopheryl Acetate (Vitamin E)

DESCRIPTION

Warming Pumpkin Enzyme Mask combines enzymes and antioxidants from Pumpkin Extract, along with vitamins and minerals in a rich, creamy, self-warming application to reduce pore size and cleanse, hydrate and rejuvenate the skin. Mild formula contains Kaolin to absorb dirt and excess oils, Pumpkin Enzymes to increase cellular regeneration and refine pore size, and time-released Vitamin E micro-beads that activate upon contact with the skin to replenish moisture. Gentle formula complements anti-aging, hyperpigmentation and acne regimens and leaves skin hydrated, refined and radiant.

BENEFITS

- ✓ Rich, creamy, self-warming application
- ✓ Deeply cleanses, hydrates and rejuvenates the skin
- ✓ Removes excess oil, dirt and impurities
- ✓ Contains enzymes and antioxidants from Pumpkin Extract for gentle exfoliation and protection against free radicals
- ✓ Absorbs dirt and excess oils with Kaolin
- ✓ Increases cellular regeneration with time-released, moisture replenishing Vitamin E micro-beads that activate upon contact with the skin
- ✓ Minimizes pore size and refines skin texture
- ✓ Compliments any anti-aging, hyperpigmentation and acne regimens

DIRECTIONS FOR USE

- Apply generous amount to clean, dry skin. Massage into skin until warming sensation dissipates. Wet hands again and repeat massaging action. Rinse thoroughly with warm water or as directed by physician. Avoid eye area. Can be used two to three times a week.
